Your signature below verifies that the information provided in this application is accurate and complete and that you understand and agree to comply with the rules, conditions and limitations contained in this permit application. For additional information, please reference the City of Atlanta Code of Ordinances, Sec. 110-75 and 110-76.

1. Anyone planning a "Large Gathering" in a park, where the gathering is reasonably expected to have more than 75 people, and is reasonably expected to last for one hour or longer, must have a Large Gathering permit. Permit applications for a Large Gathering cannot be made earlier than 3 months prior to the event, or later than 15 calendar days (30 days if using portable toilets, banners, generators or amplified sound) before the event. An exception to this requirement shall arise when a gathering occurs within 48 hours of an identifiable event or decision, the date of which could not have been predicted with certainty, including but not limited to an announcement regarding a military action, an announcement of a court decision, or a death, in which case the reservation shall be made as early as possible so the City can provide adequate services.
2. Large Gathering permits are granted based upon availability and are on a first come first served basis. Priority for competing applications for substantially the same time and place shall be given to the first complete application package received, including requisite fees, site plans and deposits, if required. Applications from City residents, or on behalf of groups whose primary location is inside the City of Atlanta, shall be given priority over applications from non-City residents or on behalf of groups whose primary location is outside the City of Atlanta. A previously booked Outdoor Festival, Assembly, or Special Event will take precedence over a large gathering. (Outdoor Festivals, Assemblies, and Special events are permitted through the Mayor's Office of Special Events, 404-330-6741.)
3. A non-refundable fee of \$50.00 is required along and a refundable sanitation bond of \$100.00 is also required. **Money orders are the only form of payment accepted for sanitation bonds. Money orders, checks, credit/debit cards are accepted forms of payment for non-refundable fee.** No cash will be accepted. Refunds will be sent to the address of record.
4. No permit will be issued until a complete application, including site plan and sanitation bond, is received.
5. The permit entitles the holder to the exclusive use of the assigned area only. Review all the conditions of your permit. **Parks are reserved as is.** Electricity, additional water, and additional restroom facilities are not provided. (An electrical permit must be obtained from Bureau of Buildings when using a generator in a park)
6. The permit holder is responsible for all clean up, including removal of all trash, decorations, and other items brought into the park. The Office of Parks is not responsible for setting up or taking down rental equipment, nor is the Office of Parks responsible for any rental equipment delivered to the site.
7. In the event that a person or group has a Large Gathering and leaves the park in the same condition as before the Large Gathering, the sanitation bond will be refunded. In the event that a person or group has a Large Gathering and fails to leave the park in the same condition as before the Large Gathering, and the City spends more than one employee hour cleaning or restoring the park to its previous state, the sanitation bond will be revoked, and the person or group shall be responsible for reimbursing the City for the cost of the clean-up or restoration activities that exceeds the sanitation bond within 30 days of receiving a bill from the City. Persons, groups, or persons representing a group that failed to pay a previous bill within 30 days of receipt, will be required to provide an additional sanitation bond in the amount of said bill as a condition of making any future park reservation.
8. In the event that the lawn, plants, walls, pavement or other infrastructure of a park is damaged during and as a result of a Large Gathering, the person or group making the reservation is responsible for reimbursing the City for the cost of repairing the damage, or replacing the damaged item(s) if the City finds that replacement is necessary.
9. For events lasting more than 3 hours in parks without operable restrooms, the permit holder shall provide one portable toilet per 100 people expected. The permit holder is responsible for arranging delivery and pick up of the toilets. The permit holder shall contact the District Maintenance Supervisor of the park (as listed on the permit) to inform him/her of the date and time portable toilets will be delivered and to obtain approval of their proposed location. **The permit holder is responsible for removal of all portable toilets within 24 hours of the conclusion of the event.**
10. The permit holder is responsible for notifying the Office of Reservations (404-817-6757) immediately of any changes to the information provided or requests made in the application. Office of Parks staff may not be able to honor last minute changes or requests.
